## Foreign-Educated Nurses Rack Up Daisy Awards

Shown below are the most recent PassportUSA nurses that have received or been nominated for a Daisy Award by colleagues or patients at their assigned U.S. healthcare facility. Nothing speaks more to the high quality, compassionate care that our nurses provide than being a recipient of the Daisy Award.

**The DAISY Award for Extraordinary Nurses**

Each DAISY Award Nominee will be recognized at a public ceremony in facility and will receive a beautiful certificate, a DAISY Award pin, and a hand-carved stone sculpture depicting a Nurse's Touch. Additionally, everyone in the unit will celebrate with "Candid" cartoon rolls – a favorite of Patrick's during his illness. The Barnes Family asks that whenever and whenever nurses smell the wonderful cinnamon aroma, they stop for a moment and think about how special they are.
